An offering was quietly taken by brethren moving among the members of the Conference and the sum of $107 was realized.

Order of the Day.—Pursuant to Conference action of the first day's session, the report No. 1 of the Board of Education relative to the report of Centenary College read during the first session was read by C. W. Crisler as follows:

REPORT NO 1, BOARD OF EDUCATION

Your Board begs leave to report that, in view of the splendid devotion of the people of Shreveport to Centenary College, and particularly of Dr. George S. Sexton and that group of public-spirited citizens who enterprised and carried to completion the campaign which resulted in raising $400,000 for the endowment and equipment of Centenary; and in view of the campaign now under way in the City of Shreveport for raising another $400,000 as a centennial offering for commemorating Centenary's one hundred years of honorable history and invaluable service to both church and state.

Therefore: Be it resolved that, as a token of our profound appreciation of this generosity on the part of the people of Shreveport and as expressive of our own interest and in recognition of our responsibility, the Conference pledge itself to raise a sum which shall represent a minimum of five dollars ($5) per member.

Resolved, further: That we will cooperate with the Centennial Committee of Centenary College for completing an organization to carry this campaign to every church, and that we recommend to every church in the Conference the assumption of an amount not less than the minimum of five dollars ($5) per member.

HENRY T. CARLEY, President.
CHARLES W. CRISLER, Secretary.

After the reading of the report, G. S. Sexton made a stirring address upon the history and future of Centenary College and the great need of making the centennial offering a success throughout the Conference. W. W. Drake, Briscoe Carter, C. C. Miller, N. E. Joyner, R. W. Tucker and Bishop Hay spoke in favor of the report. C. C. Miller called for former students of Centenary College to rise and a large percentage of the members of the Conference arose, showing what a mighty factor Centenary College has been in the work of the ministry

in our Conference. H. T. Young stated he expected to vote against the report and desired to give as his reason his disapproval of intercollegiate athletics.

Question was called for; vote was taken, and the report was adopted as read.

Message of Appreciation.—A. W. Turner moved that the Secretary be instructed to send a message of appreciation to the Methodists and other citizens of Shreveport of the splendid work which they are doing at the present time toward the centennial offering for Centenary College. The motion prevailed.

The Board of Stewards and congregation of Lafayette Church urgently request your presence at the laying of the corner stone of their new church Friday, at 3 P.M.

J. J. DAVIDSON, Chairman Board of Stewards.

L. I. McCain, pastor of the church in Lafayette, addressed the Conference concerning the great church building enterprise and urged that the entire Conference attend the service on Friday afternoon. It was moved and carried that the invitation be accepted and that the Secretary telegraph Mr. Davidson of the action of the Conference. L. I. McCain stated that the people of Lafayette would be glad to provide automobiles to convey members of the Conference to and from Lafayette if the number expecting to go could be ascertained. Those expecting to go were asked to rise and practically the entire Conference arose. In view of the meeting in Lafayette, it was decided that no afternoon meeting would be held on Friday at the seat of the Conference. Bishop Hay appointed Dr. F. N. Parker to deliver the address at the laying of the corner stone.

Resolutions Concerning Louisiana Council of Religious Education.—The following resolution, introduced by the Sunday School Board, was read by R. M. Brown and adopted as follows:

RESOLUTION

Whereas, there has been pending before the Louisiana Annual Conference for several years negotiations which pertained to the formal entrance of our church as a denomination in Louisiana into membership in the International Sunday School Association, now reorganized as the Louisiana Council of Religious Education; and

Whereas, the International Sunday School Association has been a great pioneer in the field of Sunday School work in Louisiana and has rendered an excellent service, giving inspiration to many hundreds of pastors and lay workers; and

Whereas, our Southern Methodist Church has as a Sunday School program a work calculated to achieve a tremendous upbuilding of our Methodist Sunday Schools, and is both an adequate program and inferior to none; and since our Conference Sunday School work is accomplishing desirable results, and needs to have the whole-hearted and unhampered support of every Methodist Sunday School in the Conference, and, whereas, finances have been inadequate for the support of this work within the bounds of our Conference;

Therefore, be it resolved: That after a careful study of this merger problem, and the relationship of our Conference Sunday School program to the work of this Louisiana Council of Religious Education, it is the mind of this Conference that we should not enter into official relationship with that organization.

R. M. BROWN, Secretary.

W. W. Drake Called to Chair.—Bishop Hay asked W. W. Drake to take the chair.

Report No. 1, Board of Missions.—Henry T. Young read report No. 1 of the Board of Missions. Dr. J. W. Perry was asked to speak to the report and he addressed the Conference upon our Missionary operations and needs. The report was adopted as follows:

REPORT NO. 1 OF THE BOARD OF MISSIONS

Your Board had under consideration the serious situation which now confronts our church in its missionary operations. We are face to face, as a church, with the following facts:

1. To date only two-thirds of the Centenary pledges have been paid and it will require $8,000,000 to complete the plans of our Centenary program. We must either secure this sum or disgracefully abandon what we have so gloriously begun.

2. Our General Board is in debt about $1,000,000 for work already done.

3. Our annual budget for upkeep alone now requires $1,250,000 more than it did before the Centenary program was launched. We must either increase our annual income by that amount or call home half of the force that our Centenary enabled us to put in the field.

We do not believe with these facts before it, that our Conference can afford to do otherwise than gird itself for the task of doing its part in helping to carry out the original plans of the church. Nor do we believe our Conference will submit to seeing our great church embarrassed and hampered with the indebtedness already incurred in trying to carry out the work so inspiringly launched.

But to carry to a full accomplishment all the tasks of the Centenary and sustain our work at the level to which the Centenary lifted it, will require an extraordinary consecration and co-operation. We therefore recommend:

1. That we do hereby solemnly dedicate ourselves afresh to God and to His work, and in particular will we do all in our power to sustain the missionaries of our church without debt and without retreat.

2. That we heartily endorse the Advance World Program and will give ourselves vigorously to its prosecution.

3. That we pledge our whole-hearted sympathy and support to the Centenary Commission and to Dr. Briscoe Carter, our Conference Centenary Secretary, in their efforts to adjust and collect Centenary accounts.

4. That we will throw the entire force of this great Conference into the Carry-on-Campaign, January 15 to March 15, of next year. And that we will endeavor with all that is in us to collect the balance due on Centenary pledges, and to secure contributions from every available source for the world-wide work of our church.

HENRY T. YOUNG, Secretary.

Bishop in Chair.—Bishop Hay resumed the chair.

Noted as Present.—The presence of D. B. Boddie was noted.

Dr. Morgan Speaks.—Dr. J. J. Morgan, of the American Bible Society, addressed the Conference.

Report of Board of Lay Activities.—Report No. 1 and Report No. 2 of the Board of Lay Activities were read by K. I. Bean and adopted as follows:

REPORT NO. 1, BOARD OF LAY ACTIVITIES

The report of our Conference Lay Leader shows progress in the organization and activities of the Lay work. Our aims may be stated as the securing of a working force in each local church, the vitalizing of fellowship in every church and co-operation with every Conference and District Board and with every pastor in the work of the church.

During the past year our General Secretary, Mr. G. L. Morelock, visited every district in our Conference and spoke to approximately 1000 workers. We feel that this visitation was very helpful to our work and will produce greater results in the future. Also Rev. W. B. Hayes, a member of the North Arkansas Conference, met the Boards of Lay Activities at Alexandria and Lake Charles and explained how the program of the General Board of Lay Activities worked in his district, stating that he was carrying out same in full and was having splendid results.

We wish to express our appreciation of the splendid co-operation given the Lay work by each presiding elder and pastor and solicit a continuance of same during the coming year, and it is our desire to assist them in forwarding the work to the point of having services in every church every Sunday.

For the ensuing year your Board has accepted as a working basis the goals as adopted by the General Board of Lay Activities, which are —the Payment of all Assessments, Stewardship Cultivation, Personal Evangelism, the Wesley Brotherhood and Supplying Vacant Pulpits.

We feel that our most effective work for the immediate future will be the promotion of Stewardship and Tithing, and a special effort will be made toward that end.

The General Board publishes an official organ, The Methodist Layman. There are now 218 paid subscriptions to this magazine in our Conference and we wish to increase this during the coming year to a minimum of 450 subscriptions.

T. W. HOLLOMAN, Chairman.
K. I. BEAN, Secretary.

REPORT NO. 2, BOARD OF LAY ACTIVITIES

We, your Conference Board of Lay Activities, nominate Mr. T. W. Holloman as Conference Lay Leader for the coming Conference year.

K. I. Bean, Secretary.

New Orleans Depository.—The reports of the Board of Trustees and of the Acting Treasurer of the New Orleans Depository were read and ordered to record as follows:

REPORT OF THE TRUSTEES OF THE NEW ORLEANS METHODIST DEPOSITORY

I herewith submit the report of the New Orleans Methodist Depository Property, located No. 512 Camp Street, New Orleans, Louisiana, for the Conference year of 1924 as follows:

As no doubt you are aware, the ground floor of said property was rented for $100.00 per month to October, 1925, to the Library Bureau Company. Since our last report, they have requested to be released of said contract from October 1st, 1924, and same has been granted. A new tenant by the name of The Granzin Jewelry Company has leased said property at $100.00 per month until October 1st, 1927, the Library Bureau Company endorsing the notes of Mr. Granzin guaranteeing the rent to the expiration of their lease, October 1st, 1925.

You will kindly note by the Acting Treasurer's report, that there is a balance on hand of $1,415.19, which we intend to use in making the improvements as agreed upon last year, said improvements being started as soon after the first of the year as possible, providing room for the office of the presiding elder, and a meeting and gathering place for all meetings of the Methodist churches, including a reading room for the visiting Methodists from the country. After these changes are made, comfortable quarters will be provided for the Advocate and the Editor of same, making the entire place comfortable for all concerned.

H. F. FOSTER, Chairman.

Committee on Evangelism.—The report of the Committee on Evangelism was read by W. F. Henderson and adopted as follows:

REPORT OF COMMITTEE ON EVANGELISM

Your Committee on Evangelism reports as follows:

We rejoice in the splendid reports coming in from the various sections of the Conference, reports which show that a fine spirit of evangelism is abroad among us.

In accordance with the resolutions adopted by the Conference on Evangelism, held in Nashville last winter, we plead for a closer cooperation between our committee and the various pastors of the Conference, that more emphasis be placed upon evangelism throughout the Conference, and that study be made of the plans for evangelism as urged by our General Board of Evangelism in Nashville.

We ask that Rev. A. W. Turner, Rev. Louis Hoffpauir and O. H. Cline be added to the Committee on Evangelism, and that our presiding elders also be added to the committee. This is the wish of Dr. Russell.

We offer our services to the brethren of the Conference in planning, securing help, or in any other capacity in which they may be able to use us, to promote evangelism in any way.

We recommend the appointment of Rev. Robert A. Bozeman as Conference Evangelist.

W. F. HENDERSON, JR., Secretary.

Orphanage Report.—The report of the Orphanage Board was read by J. M. Alford and adopted. The report of the Board of Directors of the Orphanage and the report of the Superintendent of the Orphanage

were submitted with the report of the Orphanage Board and ordered to record. The reports are as follows:

REPORT OF THE ORPHANAGE BOARD

We the members of the Conference Orphanage Board beg to offer the following as our annual report:

During the seventeen years of history and work of our home for helpless children, located at Ruston, La., there has never been a more prosperous and satisfactory year than the one now closing.

We have carefully examined the report of the Board of Directors and also that of the Superintendent, and find that the class of work done there is of the very highest type, and that we have an institution in the Methodist Orphanage of our Conference of which we should justly be proud, and which should command our continued liberal support.

We desire to express our thanks to the Methodists of Louisiana, and other friends of the institution, for their hearty responses to the call for help in this worthy cause.

We desire to make special mention of the wise management and excellent administrative ability of our Superintendent in being able to solve the many serious problems incident to the great work in which he is engaged.

But the material progress of this institution is, perhaps, a thing of minor importance when compared to the great work of character building being done. When a child is cared for and educated in our Orphanage not only is a life saved from destitution but saved for Christ and humanity. Therefore let it be remembered that every one who in any way contributes to the support of this institution allies himself with the constructive forces of the kingdom of Him who said: "Suffer the little children to come unto Me."

We concur in the request, contained in the report of the Board of Directors, that the usual days—Easter Sunday in the Spring and "Work Day" and "Harvest Day" the second Saturday and second Sunday in October—be observed as special times when offerings shall be made for the maintenance fund of the Orphanage.

We respectfully recommend that the Bishop of this Conference appoint Rev. R. W. Vaughan to the Superintendency of the Methodist Orphanage for the ensuing year.

J. M. ALFORD, President.

REPORT OF THE BOARD OF DIRECTORS OF THE ORPHANAGE

On behalf of the Board of Directors of the Louisiana Methodist Orphanage I beg leave to submit the following report for the ensuing Conference year:

We are pleased to be able to report continued prosperity on the part of our institution, and the accomplishment of more in the way of extending our plant and enlarging our equipment for a greater orphan-

age than we have been able to do heretofore. This consists of permanent additions in the way of buildings and betterments which have increased the value of our plant practically to a quarter of a million of dollars.

We owe no debts, and up to date have been able to pay as we go; the property is kept well covered with insurance against fire and storm, and everything is in a good condition. The children of the orphanage have been in a good state of health this year, and no serious misfortunes of any kind have befallen the institution or its inmates. Our Superintendent's report for the present year gives a detailed account of the affairs of the institution. It will prove both interesting and instructive to those who feel an interest in the institution.

The unprecedented drouth that has prevailed throughout the state for the past five months and consequent crop failure has reduced our accustomed stock of food supplies at this time of the year, and will make it necessary for us to have more money to meet our maintenance demands the coming year by thousands of dollars. It is to be hoped that the friends and supporters of the orphanage will bear this in mind the coming year and increase their contributions.

The following members of the Board of Directors, whose terms expire with this Conference year, have been re-elected; and the Conference is requested to confirm them, viz: S. D. Pearce, J. H. Mays, R. H. Wynn, and T. L. James. R. W. Vaughan was re-elected Superintendent, and his election is asked to be confirmed.

The Board also recommends and requests that Easter Sunday and Work Day (Saturday before the second Sunday in October, 1925), be designated as days for raising money for the maintenance of the Louisiana Methodist Orphanage throughout the Louisiana Conference.

S. D. PEARCE, President.

ANNUAL REPORT OF THE SUPERINTENDENT OF THE LOUISIANA METHODIST ORPHANAGE

To the Honorable S. D. Pearce, President, and Members of the Board of Directors of the Louisiana Methodist Orphanage, in session, Tuesday, October 28th, 1924.

In submitting this, my fifteenth annual report of the work done by the Louisiana Methodist Orphanage during the period covered by our fiscal year, from October 1, 1923, to October 1, 1924, it is with a profound sense of gratitude to our Heavenly Father for His continued blessings on our work.

Confronted with many discouraging situations, and at times seemingly insurmountable difficulties we have had, on the whole, a most happy, gratifying year. The children have been unusually happy and contented. Their progress and development along all lines has been marked. They have been industrious, kind and helpful. They have worked diligently in both home and school, and have made as good progress as we could reasonably ask or expect. We have had 162

children in the home during the year. Having received 14 new children and discharged 16, we now have 146 children under our care. Of those discharged, one has married, one placed in a private home, one left fo his own accord and 13 returned to relatives able to care for them. Two of our girls graduated from high school, and two from the junior college of the Louisiana Polytechnic Institute. We now have 7 students in the Louisiana Polytechnic Institute, 29 in high school and 108 in our orphanage school.

Most of our children are members of the church, having joined on their own motion without suggestion or persuasion from those in charge. They attend church and Sunday School with consistent regularity, and are given careful instruction in the Bible and religion. All our teachers and workers are consecrated Christians, and we feel sure no children have better moral or religious surroundings, or advantages.

The children have been in good health, and but for a few minor operations, there has been no sickness of consequence among them. We have had no epidemics and no deaths.

We submit our financial statement, as follows:

We have no debts and no outstanding claims against the orphanage. Our actual worth, therefore, is as shown above. We carry insurance to the amount of $55,000.00 with all premiums paid.

The Whited-Miller Cottage and the other new buildings have been completed and ready now for furnishing and occupancy. But in view of the fact that we have no money with which to furnish the buildings and no means with which to operate them, we are confronted with an embarrassing situation that I am unable to meet. You will note from our financial statement that we have expended over $2,000 more than we received for maintenance operating as we are now. Hence it would seem folly to occupy these two new buildings, thereby increasing our expenses by several thousand dollars, when our present income is inadequate to meet the expenses as we now operate. We hope this problem may be worked out and that in due time we may be able to occupy our new buildings and reap the benefit thus afforded.

We have suffered the most disastrous drouth ever known to this section. Our early spring gardens were good and we received much benefit from them, but the main crops have been almost a complete failure. The pastures have dried up and the cattle have suffered. We must care for them at greatly increased expense. As a result of the drouth we will not receive the usual Thanksgiving cars that have been of much help to us in other years. We are therefore confronted with a serious situation that can only be met by largely increased donations to our work, if it is to be maintained and carried on.

During the summer vacation the children have been busy in many ways. Ditches for drainage and sewerage for our new buildings were dug and tiled; mattresses sufficient to equip both buildings were made; quilts and pillows made and repaired ready for use when we go into the new buildings, and many other helpful things done for the institution by our children.

Aside from the effects of the drouth and the uncertain financial outlook, we consider the work in most excellent condition. We feel

sure that a way will be provided, and despite whatever discouraging situations may confront us, we are most hopeful of the future of our great institution.

With the utmost confidence in the loyalty of our people, and the guiding hand of God in our great task, and doubly assured of your helpful wisdom in advice and council,

ROBERT W. VAUGHAN, Superintendent.

Temperance and Social Service.—The report of the Board of Temperance and Social Service was read and adopted as follows:

REPORT OF THE BOARD OF TEMPERANCE AND SOCIAL SERVICE

Your Board reports that there seems to be an awakening of the church's conscience on the question of Temperance and Social Service.

Our great church continues to stand like a wall against the encroachments of intemperance, vice and immorality of every kind.

We stand pledged for the development of the highest life, both physical and spiritual.

While immorality is rampant and social evils of all kinds continue to flow like a tide over the land, our preachers and people are becoming aroused and are forming themselves into groups for intensive study and training for better qualification to cope with the situation.

Sunday Schools, Epworth Leagues, and Woman's Missionary Societies are concentrating a part of their efforts on the study of this vital question, and the more we study the present conditions, the more we are convinced that these vexing social problems must be solved by the church.

Racial antipathies must be overcome, and to this end Community Clubs are being formed, Community Houses built, Playgrounds fitted up and properly supervised, and some of our people are looking into the question of better housing conditions for our colored population.

While the illegal liquor traffic is still being carried on all over the state we want to go on record as standing one hundred per cent for the enforcement of our prohibition laws, and we urge all our pastors to preach on the subject of Law Enforcement as often as possible.

We rejoice in the good work being accomplished by the Anti-Saloon League and the Woman's Christian Temperance Union, and pledge these organizations our heartiest good will and co-operation.

We especially commend the work done by Rev. A. W. Turner at the last session of the State Legislature, and recommend his appointment as the Superintendent of the legislative department of the Anti-Saloon League of Louisiana.

C. C. MILLER, President.
A. W. WADDILL, Secretary.

Afternoon Session Ordered.—It was moved by W. L. Duren that when we adjourn we adjourn to meet at 2:30 in the afternoon. The motion prevailed.

Prison Reform.—The report of the Committee on Prison Reform was read by H. S. Johns and ordered to record as follows:

REPORT OF THE COMMITTEE ON PRISON REFORM

Your Committee on Prison Reform begs leave to report as follows:

We rejoice that crime is apparently on the decrease as shown by statistics of the past two years. Louisiana, with more than one million and a half population, has less than one person per thousand serving time in the state penitentiary. The exact number is 1,453, against 1,522 one year ago, thus showing a decrease of 69. The previous year revealed a net decrease of 97.

Our state is splendidly equipped to handle the prison population, having three great farms aggregating 24,000 acres of land, besides a receiving station at Baton Rouge. In all of these places the most modern system of penal management prevails. Every appeal is made to one's sense of self-respect by allowing reduction of time for good conduct, with the result that fully one-fourth of the prison poulation are regarded as trusties, and punishment for infraction of rules are very rare. Only those serving other than a first term, the habitual criminals, who have lost all sense of self-respect, violate our rules.

During the ten years of operation of the parole laws, 1,796 paroles have been granted, with less than 10 per cent violating their parole.

Regular services of preaching the gospel and the administration of the ordinances are observed. Sunday Schools flourish. The necessary literature is furnished by the Baptist and Methodist churches free of charge, and Bibles plentifully supplied by the American Bible Society, through Rev. J. J. Morgan, Dallas, Texas. Other books and religious papers are supplied by interested friends.

We recognize, however, that prevention is better than cure; hence we urge that every effort be put forth by the ministers of our church to reach the unchurched masses. Every church stands in the way of the man who would commit crime and be sent to the penitentiary. We believe that the character of the child is susceptible to early impressions and if trained correctly will be a guarantee of success in life and freedom from penal servitude.

H. S. JOHNS,
J. W. WYNN,
Committee.

Sabbath Observance.—The report of the Committee on Sabbath Observance was read and adopted as follows:

REPORT OF COMMITTEE ON SABBATH OBSERVANCE

We, your Committee on Sabbath Observance, wish to reaffirm the position taken by the Methodist Church in all her history with reference to the sanctity of the Sabbath day. In the divine economy this day was set apart as a day of rest and worship and safeguarded by the divine command that it should be kept holy. We insist that it is an imperative duty upon our ministry to keep the conscience of the church

quickened as to the proper observance of our day of rest and worship.

We condemn as un-American and un-Christian the increasing practice of buying and selling, of hunting, fishing, ball games, fairs, political assemblies, or other forms of recreation or secular conventions that stand out against the proper form and spirit of Sabbath day observance.

We deplore the persistent encroachments of commercialized amusements carried on in defiance of the duly constituted laws of our state.

We challenge those in authority, as the accredited representatives of the people, to enforce the laws of our state enacted to preserve for us and posterity the American Sabbath. Failure to enforce the law hastily breeds contempt for the law, and contempt for the law flowers into practical anarchy, and anarchy can only mean the final and complete disruption of the state.

We appeal to the Christian ministry to create a Christian conscience within the church that leads our people to an observance of all the services in the church. We make this appeal in the face of a baneful tendency on the part of many to attend only one of the services on the Sabbath day.

Finally, we give praise to God for that great army of faithful people in the church of God who love, respect and observe our Holy Day.

ROBERT E. GOODRICH, Chairman.
F. J. McCOY, Secretary.
M. F. WILSON, M. D.

H. W. Cudd Made an Assistant to Statistical Secretary.—Upon request of R. W. Vaughan, H. Wade Cudd was made an assistant to the Statistical Secretary.

Admitted on Trial.—Upon motion of W. L. Doss, Jr., the action of the Conference at the morning session in admitting Charles W. Lahey on trial was reconsidered. Conference was informed that Charles W. Lahey did not meet the educational requirements for admission and that reconsideration was moved that the question might be brought again before the Conference, so as to allow the Conference to admit the brother, if it so desired, by the two-thirds vote required by the law in the case of one failing to meet the educational requirements. Question was put and Charles W. Lahey was unanimously admitted on trial.

Report of Hospital Board.—The report of the Hospital Board was read by R. F. Harrell and adopted as follows:

REPORT OF THE HOSPITAL BOARD

WM. SCHUHLE, President.
R. F. HARRELL, Secretary.

Report of Bible Society Board.—The report of the Bible Society Board was read by S. S. Bogan and adopted as follows:

REPORT OF THE BIBLE BOARD

We, your Bible Board, beg leave to report as follows:

We believe that the distribution of the Holy Scriptures is among the foremost agencies in the evangelization and Christianization of the peoples of the earth; therefore, the Bible should be given to the people in their own tongues.

We greatly rejoice that through the agency of the American Bible Society this need is being supplied to that extent, at least, where thousands are given the word of God in their own tongue.

It is a matter of very great satisfaction and sincere gratitude to God that there is almost an unusual demand among the nations of the earth for the Holy Scriptures, and millions of copies are being distributed throughout the world.

One of the most encouraging and hopeful signs of the early evangelization of the world is the manifest heart-hunger for the truth, and the open and hearty reception of the word of God everywhere.

It is our candid conviction and settled judgment that we ought to give more liberally to the support of this great cause, and extend the power of our Christ through the written word.

Therefore, be it resolved: That wherever practical we will observe Bible Sunday, December 7, or as soon thereafter as possible, inform our people of this great work and need, and give them an opportunity to express themselves in some substantial way in support of the American Bible Society as a means of extending the kingdom of God by a wider and more extended distribution of His word.

Memorial Home.—The report of the Committee on the Memorial Home was read and adopted as follows:

REPORT OF THE COMMITTEE ON MEMORIAL HOME

There is no work engaged in by the Louisiana Annual Conference in the field of social service which ministers to a more vital need and social problems than that of the New Orleans Memorial Home. This institution is accomplishing a rescue work which it is gratifying to report issues in the redemption of a large percentage of these unfortunates under the Gospel of Chrst, through the kind, sympathetic and distinctively Christian efforts of the Home.

The committee, in commending this work, urges the pastoral charges to take offerings every spring on Mother's Day Sunday that in the name of pure womanhood financial assistance that is needed may be given the Home to enable it to continue its work.

Tucker moved that the vote in favor of New Orleans be made unanimous. The motion prevailed.

Report No. 2, Board of Education.—Report No. 2 of the Board of Education was read by C. W. Crisler and adopted as follows:

REPORT NO. 2 BOARD OF EDUCATION, LOUISIANA CONFERENCE

The Board of Education, after careful consideration of all matters referred to it, is glad to report healthy progress in the educational interests of our church.

Southern Methodist University reports that the present session is the most successful in the history of the institution. Enrollment in every department has been larger than ever before and the spirit of the student-body is excellent. The total attendance in all the schools is 2425 students, which is an increase of 415 over last year. The school of Theology shares in this general prosperity, showing an increase of 31 students. During the past year $785,775.00 have been added to the financial assets of the university.

Centenary College, now celebrating one hundred years of heroic Christian service to the church, is engaged in an enthusiastic campaign to raise a million dollars as a thank-offering. The College was never more prosperous or more essential to the life and efficiency of the church than it is today. Its wonderful growth is evidenced by the fact that it now employs 32 instructors to look after the intellectual and spiritual needs of 432 students who crowd its halls. The endowment amounts to $653,657.93. Total property valuation amounts to $475,-

541.43, less an indebtedness of $185,000.00. Insurance carried is $154,000.00.

Mansfield College for girls is entering upon an era of gratifying prosperity. This Junior College of approved course of study is preparing our girls for completing their studies in our best colleges and universities. Its larger usefulness to the church is limited for lack of money and adequate building facilities. There are 14 teachers giving instruction to 171 students during this session. There is an indebtedness of $13,000.00 and a property valued at $200,000.00. $42,000.00 insurance is carried on the buildings.

The Conference owns a third interest in the Seashore Camp Ground property and school which are valued at $155,000.00, less an indebtedness of $14,000.00. This property, as you know, is situated within the corporate limits of Biloxi, Miss. The Seashore Divinity School, which is supported by the Alabama, Louisiana and Mississippi Conferences, holds its annual session on these grounds. The program for the school next session has been enlarged and will include several items of interest to the patronizing Conferences. The session will open Tuesday, June 16, and continue for two weeks. Dr. F. N. Parker will teach the graduate preachers the Bible during the session.

The report of the Western Methodist Assembly shows a very successful and profitable session this year, covering in its program the vital interests of all our General Boards. The Assembly has 520 acres of valuable land on which several buildings are either already in course of construction or will be built in the near future. A beautiful lake is being projected as an added feature of these beautiful grounds.

We desire to express appreciation of the faithful and efficient work done during the year by our Conference Secretary-Treasurer of Education, Dr. A. S. Lutz, and to all those who have co-operated with him in an effort to complete this great program of the church.

We make the following recommendations for Conference action:

The appointment of A. S. Lutz as Conference Secretary-Treasurer of Education.

That prompt payment of all pledges due or past due on the educational campaign be earnestly urged. Vital interests of the church are suffering because these pledges remain unpaid.

That January 8-15, 1925, be fixed as pay-up-week on these past due pledges.

That all our congregations, schools, and colleges continue to make the life-service appeal.

That we approve the employing of the Director of Religious Education by First Church, Baton Rouge, and commend this action to the General Board of Education for its financial assistance.

That H. T. Carley, R. H. Harper, and Chas. W. Crisler be elected Directors of the Seashore Divinity School.

That Briscoe Carter and T. W. Holloman, whose terms expire with

this Conference, be elected Trustees of Seashore Camp Ground Property and School.

That Briscoe Carter, C. C. Miller, and A. S. Lutz, be appointed a committee to confer with like committees of the Alabama and Mississippi Conferences, concerning a more satisfactory disposition of the Seashore Camp Ground Property.

That the following be confirmed as trustees of Mansfield College: Clerical—R. H. Harper, C. D. Atkinson, K. W. Dodson, Briscoe Carter, H. N. Brown, A. H. Parker, A. S. Lutz, J. M. Alford, N. E. Joyner, R. S. Walton, Martin Hebert, J. A. McCormack. Lay—W. M. Pollock, Eugene Joyner, J. H. Thatcher, W. C. Barnette, M. M. Dowling, L. L. Bogle, Frank Hunter, W. R. Farmer, J. M. Middleton, C. B. Hicks, T. L. James, and O. H. Jordan.

That the following appointments be made to our schools and colleges: Dr. Frank N. Parker, Dean and Professor of Systematic Theology in Candler School of Theology; Dr. Geo. S. Sexton, President Centenary College; Dr. R. E. Smith and Rev. D. B. Raulins, professors Centenary College; Prof. W. F. Roberts, professor Centenary Academy.

HENRY T. CARLEY, Chairman.
CHAS. W. CRISLER, Secretary.

by one and their character separately passed. The name of F. W. Dick was called; his character was arrested because of certain charges against him relative to financial matters, and his case was left in the hands of the presiding elder of the Lake Charles District for examination.

Report of the Board of Christian Literature.—The report of the Board of Christian Literature was read by A. M. Shaw, who spoke to the report. H. T. Carley spoke to the report with special reference to The New Orleans Christian Advocate. J. F. Foster, for the Publishing Committee of The New Orleans Christian Advocate, spoke upon the urgency of a better support of the Conference organ, asking the presiding elders of the Conference to bring the matter before the second Quarterly Conference of each charge, and to call upon the pastors to put on a campaign for subscriptions to The Advocate. The report of the Board of Christian Literature was adopted as follows:

REPORT OF THE BOARD OF CHRISTIAN LITERATURE

The Board of Christian Literature begs leave to submit the following report. We have heard representatives of the various interests which we are called upon to consider, and are pleased with the showing made by the agencies engaged in distributing Christian literature within our territory.

The sales of our publishing houses have outrun all precedent, as indicated by the fact that the profits to be distributed to our Conference claimants throughout the church amount this year to sixty thousand dollars. This token of increasing interest in our publications on the part of our people is indeed gratifying.

We wish especially to recommend to our preachers and people the biography of our sainted bishop and missionary, Walter Russell Lambuth, written by Dr. W. W. Pinson, advance orders for which have exceeded those for any book ever issued by our house. It should find its way to every Methodist home.

We wish to call attention to the excellent quality of our connectional publications. There are few church papers equal to our general organ, the Christian Advocate. The Review is a great and scholarly magazine; the Missionary Voice not only worthily represents the missionary interests of our church, but is so full of instruction and information as to possess very great cultural value. The Epworth Era not only merits its immense popularity with the young people, but deserves an even larger circulation. And the publications issued for the young people and children by our Sunday School Board are of so high an order as to be almost indispensable to our Sunday Schools.

Let us bear in mind that the success of all these publications—nay, even their very life—depends upon the matter of their circulation. And that depends largely upon the members of this Conference. Every pastor should diligently endeavor to place this literature in the homes of our people according to the needs of the various members of our

families. We are informed that not more than sixty-five per cent of the ministers of this Conference take the Christian Advocate, and a relatively insignificant number take the Review. These ought to be in every preacher's home; and the Christian Advocate should be placed in the hands of all our official members, at the very least.

We cordiallly commend the editorial policy of our New Orleans Christian Advocate. Our editor shows a fine sense of proportion, not only in the subjects treated editorially, but also in choosing articles for publication. The paper is made to minister to every interest of the Christian life, and to support every enterprise of the church. It is a trying time for all our Methodist editors. But we feel that Dr. Carley is meeting the situation in an admirable spirit. While holding pronounced views of his own on questions at issue, and expressing them with both force and moderation, he deals in transparent fairness with his correspondents, and seems to give space impartially to both sides in matters wherein there is controversy. This is worthy of high praise.

According to the statements of the business manager, the New Orleans Advocate is circulating about as it was a year ago. And this means that it is living almost at a dying rate. We urge all our pastors to make strenuous efforts, early in the year, to place the Advocate in every Methodist home. The Advocate can be circulated; and its larger circulation will not only relieve the paper from embarrassment, but will help every interest of every congregation.

We most earnestly make the following recommendations:

1. That the pastors endeavor to make their Christian Literature Committee real agencies for the circulation of the literature of the church.

2. That the presiding elders be instructed to furnish the Secretary of this Board a list of the Christian Literature Committees of their several districts as soon as the first round of Quarterly Conferences is completed, in order that the secretary may offer the services of the Board to said committees.

3. That we authorize the Publishing Committee to instruct Brother Chalmers, the business manager, to put on a campaign, following the Annual Conference of 1925, to circulate the New Orleans Christian Advocate, by offering it to churches that will place it in every home at the price of $1.25 per year; and, in the event that this is undertaken, we pledge the manager our loyal co-operation and support.

We recommend the election of Dr. W. W. Drake, Rev. J. F. Foster and Rev. C. C. Miller, as Publishing Committee; and we request the Bishop to reappoint Rev. H. T. Carley, D. D., as Editor of the New Orleans Christian Advocate.

H. W. MAY, Chairman.

A. M. SHAW, Secretary.

Directors of Orphanage.—W. L. Doss, Jr., called attention to the fact that in the report of the Board of Directors of the Orphanage, read and ordered to record at the morning session, item calling for Con-

ference action had been overlooked. One asking for the observance of Easter Sunday and Work Day had already been ordered in the adoption of the report of the Orphanage Board. The other item asked confirmation of the re-election of S. D. Pearce, J. H. Mays, R. H. Wynn and T. L. James as members of the Board of Directors of the Orphanage and the appointment of R. W. Vaughan as Superintendent of the Orphanage. These recommendations of the Board of Directors were adopted, and the above named were re-elected as directors, and the appointment of R. W. Vaughan as Superintendent was requested.

Orphanage Superintendent Speaks.—Upon invitation of the Bishop, R. W. Vaughan, Superintendent of the Orphanage, addressed the Conference concerning his work. R. W. Tucker asked the members of the Conference to rise as a token of their appreciation of the splendid service of Brother Vaughan as Superintendent of the Orphanage and as Statistical Secretary of the Conference, and the entire Conference arose.

Grambling, and we are very grateful for the enlarged growth of the Leagues throughout the state and general connection, and hope and pray that the growth will continue.

We approve the recommendation of Regional Secretaries and if possible to finance same, will co-operate in this movement, but recommend that same be postponed until the 1925 Conference.

Be it the policy of the Louisiana Conference Epworth League Board and every member of the Louisiana Conference,

First, to co-operate with the Conference officers in the building up of a Conference spirit of unity and in putting over the great Con-

ference policy which has been started and is now under headway in the state.

Second, by having each member of the Board co-operate in their respective districts with the Conference district secretary and assistant district secretary in sub-dividing their districts and any other activity which is necessary.

Third, that the Board through the president see to it that the league work is properly presented at each District Conference.

Fourth, that the Secretary of the Board promote Anniversary Day throughout the state on the second Sunday in April or as near thereto as possible.

Fifth, that every member of the Board by pen or voice advocate the League work and try to create a church consciousness on same, and that we urge our pastors to take up the work with more enthusiasm.

Sixth, that we heartily endorse the wonderful work being done by our state organization in the work of the Epworth League Assembly held at Mansfield College each June and urge our churches to send one or more young people to this great annual gathering.

At the request of Dr. L. E. Todd, the Board offers the following resolutions for your consideration and recommends that they be adopted:

RESOLUTIONS

Resolved: That the Louisiana Annual Conference pledge renewed determination to raise in full measure its part of the $10,000,000 being sought by the whole church for Superannuate Endowment, and assures the Board of Finance that the plan of the Special Effort will be wrought out annually with the fixed purpose to secure not less than one-fifth of the total quota each year.

2. That this worthy cause shall be presented annually at every District Conference during the period of the Special Effort, and that the presiding elders are urged to give this matter such careful attention that these occasions may be used to give the greatest impetus to the movement, and

3. That we pledge ourselves to be governed by the decision of the General Conference Commission on Correlation of plans for the three financial movements now before the church; and we shall hold in strict observance the period allotted the Superannuate Cause by the Committee, March 15 to May 1 of each year, as a definite time when the charges will raise their yearly quotas for Superannuate Endowment. Furthermore, we recognize that the Board of Finance has fixed March 22 of 1925 as Superannuate Day, and we pledge that all of our charges will seek to provide for their yearly quotas on that day, if possible, and certainly not later than May 1 following.

JOHN F. FOSTER, President.
R. S. WALTON, Secretary.

Vote of Thanks.—P. O. Lowrey read the following Resolution of Thanks for the gracious hospitality of the people of Crowley in the entertainment of the Conference:

RESOLUTION OF THANKS

We, the members of the Louisiana Conference of the Methodist Episcopal Church, South, in session of 1924 assembled, hereby record our thanks to the Christian friends and citizens of Crowley for their

unstinted hospitality and many cordial kindnesses to us while guests in their city and in their homes; therefore,

Be it resolved: That we assure them that our stay in their midst has been most happy, and that we shall ever think of Crowley with sincere appreciation and good will, and pray the heavenly Father's richest and continued blessings upon those who have been kind to us for our work's sake.

Further: That we likewise thank the papers for liberal reports of our proceedings; Mr. W. H. Moore and Mr. Merrell Bernard for the use of adding machines, and the banks for various courtesies in the transaction of our business.

Report of the Board of Church Extension.—The report of the Board of Church Extension was read by Elmer C. Gunn and adopted as follows:

REPORT OF THE BOARD OF CHURCH EXTENSION

Your Board of Church Extension submits the following report:

We wish to urge on the part of all the preachers a closer cooperation in connection with the interests of the Board of Church Extension. This work is of special importance in our Conference at this time because of the great activity in church building. Always the calls for aid far exceed the amounts we have in hand. Here and there are enterprises which have to be delayed or even abandoned because of the meager funds placed each year at our disposal.

We call attention to the fact that our rules relating to applications for aid have not been changed. It is necessary that we have all applications in hand not later than the opening day of the Conference Session.

We have carefully considered all applications which have come before us. As usual we had requests for much more money than we have for distribution. We have allotted the following grants:

	Donation	Loan
Fisher Church	$200.00	
Springfield	150.00	
New River	200.00	
Delhi		$500.00
White's Chapel	150.00	
Mangham Chapel	200.00	
Houma	300.00	
Coushatta	150.00	
Sun	150.00	
Waxie	150.00	

Totals—Donations, $1650.00; loan $500.00.

Rev. Elmer C. Gunn was appointed by the President of the Board to represent Louisiana at the spring meetings of the General Board at Louisville, Ky.

ELMER C. GUNN, Secretary.

In Appreciation of Dr. F. N. Parker's Services.—The following resolution was read and unanimously adopted:

RESOLUTION

H. L. JOHNS
W. WINANS DRAKE
ALBERT S. LUTZ.

A Brother Assisted.—Report was made to the Conference of the serious illness of A. J. Bonnett in the sanitarium. The suggestion was made that material assistance to Brother Bonnett would be in order. An offering was received from the Conference amounting to $226.

Dr. Carter Speaks.—Briscoe Carter addressed the Conference concerning pledges to the Centenary of Missions. Bishop Hay also addressed the Conference upon the same subject.

CONFERENCE RULES

REPORTS AND RESOLUTIONS

Resolved, That all resolutions, memorials and reports of boards and committees coming before the Conference be submitted in duplicate.

ASSESSMENT RULES

Resolved, That whereas the Louisiana Conference has adopted a resolution ordering that the amount apportioned to each district be distributed among the various charges in proportion to the membership

and the amount paid for ministerial support during the past quadrennium, we hereby memorialize the Louisiana Annual Conference that said distribution in the several districts be based upon both the membership and the amount paid for ministerial support of the preceding year instead of the preceding quadrennium as heretofore; and that the Secretary of the Annual Conference be required to furnish data to each of the presiding elders in order that the said divisions may be made.

And that all resolutions with reference to the distribution of the assessments in conflict with the above resolution be, and are hereby repealed.

WIDOWS OF DECEASED PREACHERS

Resolved, That the names and postoffice addresses of the widows of the deceased members of this Conference be added to the Conference Roll, as published in the Minutes.

Resolved, that the Secretary of the Joint Board of Finance be requested to write to each of these widows, requesting her to give a statement in regard to her temporal circumstances and those dependent upon her, for the information of said Board.

QUADRENNIAL ORPHANAGE BOARD

A Conference Orphanage Board, composed of one lay member from each District and equal number of clerical members, shall be elected at the first session following the General Conference, to serve during the ensuing quadrennium.

DATA FOR MEMOIRS

Whereas, Our Committee on Memoirs have usually found great difficulty in obtaining data at the seat of Conference for suitable memoirs of brethren who have died during the year; therefore, be it

Resolved, That in the case of the death of a member of this Conference, or the wife of a member, or of a deceased member, the Presiding Elder in whose district the deceased belonged be requested to appoint some suitable person to secure the necessary data for a suitable memoir of said deceased for the Committee before the session of the Conference.

Resolved, That the clerical members of the Conference be requested to furnish the Editor of the Conference Journal a succinct history of himself.

CHURCH EXTENSION

Be it resolved, That each church securing assistance from the Church Extension Board shall be required to secure the refunding of the sum donated in the event of the property being alienated from the Methodist Episcopal Church, South, by entering and recording a mortgage for the sum donated.

STATISTICAL REPORTS

Resolved, That every pastor be urged to have his statistical reports in the hands of the Statistical Secretary by the end of the first day of the Conference session, and that any brother failing to comply with this rule will be publicly called upon for his report.

MEMBERSHIP OF THE DISTRICT CONFERENCE

Resolved, That the District Conference shall be composed of all parties mentioned inParagraph 90, Discipline 1922, and, in addition thereto, of the following: one lay member from each church in the charge, to be elected by the Quarterly Conference, provided, however, that each charge shall not have less than five (5) elected delegates.

Property of the Legal Conference of the M. E. Church, South; and is responsible to the Louisiana Annual Conference for its policy and its teaching. Founded in 1854.

Stands unequivocally for the education of girls in a separate institution from boys, and believes it does render a far better service since experience has demonstrated what common sense dictates.
